Dear Annie:- Your letter rec'd. I am spending a few days at Hyannis visiting my sister. Have been very busy on crochet lace with my friend. She and her husband share me home with them. We attended Christian Endeavor Convention at Barnstable. Tomorrow I go to Boston to spend the day with Mrs. Chapman. Will have a delightful time. Fine evening. Room accommodates 6 people. Shall enjoy a nice rest. Expensive either. Will be sorry to see the Skatts family go. Love Emelie
